

How to Authenticate This Official PDF Transcript

This official PDF transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. This document will reveal a digital certificate that has been applied to the transcript, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or Adobe® Reader. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by Parchment, with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The Blue Ribbon Symbol: The blue ribbon is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

Invalid: If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Author Unknown: Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The current version of Adobe® Reader is free of charge, and available for immediate download at <http://www.adobe.com>.

Accreditation

Portland Community College is accredited by the Northwest Commission on Colleges and Universities and by the Oregon State Board of Education.

Authenticity

An official transcript displays the Portland Community College seal, the facsimile of the Registrar's signature, and is printed with a dark blue border. In accordance with the recommendation of the American Association of Collegiate Registrars and Admissions Officers, all transcripts provided directly to the student, whether official or unofficial, will be marked "Issued to Student", or have other markings to clearly inform the receiver that the transcript has been personally handled by the student.

Confidentiality

Under the provisions of Public Law 93-380, the information provided in this document is not to be released to others without the written consent of the student.

Course Numbering

Courses that are numbered 100-299 are intended as transferable credit classes. Courses numbered 10-99 do not normally transfer to four year institutions. Courses that have 4 digits and begin with 9 are career technical.

Prior to Summer 1994, occupational (career technical) courses follow the digit- decimal system of numbering from 1.000. Beginning Summer 1994, career technical courses are also numbered 100-299.

Credit

Portland Community College operates on the quarter system. Credit earned at another institution and accepted by Portland Community College is recorded in quarter hours. Any information displayed reflecting transfer work accepted from other institutions should be verified with the original institution for accuracy.

Credit awarded by Portland Community College may include coursework completed at a contracting college as noted on the PCC transcript.

Continuing Education Units (CEUs)

Portland Community College works with professional associations and individual employers to offer job-related classes where students may earn Continuing Education Units (CEUs). One CEU is defined as 10 contact hours of participation in organized continuing education under qualified instruction. CEU's may not be applied toward any Portland Community College degree or certificate.

Grading System

A	- Superior	4 grade points per credit
B	- Above average	3 grade points per credit
C	- Average	2 grade points per credit
D	- Substandard but receiving credit	1 grade point per credit
F	- Failure	No grade points (credits calculated in GPA)
P	- Pass	Credit given (equal to 'C' or better)
NP	- No Pass	No credit given
I	- Incomplete	No credit or grade points
CIP	- Course in Progress	No credit or grade points
CIPR	- CIP Re-register	No credit or grade points
AUD	- Audit	No credit or grade points
W	- Withdrawal	No credit or grade points
NR	- Never recorded	No credit or grade points
X	- No basis for grade	No credit or grade points (last used Summer 1998)
R	- Repeated course	No credit or grade points (last used Summer 1994)
SC	- Satisfactory Completion	Continuing Education Units
NSC	- Non-Satisfactory Completion	Continuing Education Units

Transfer grades used after April 25, 2008

TA	- Transfer grade of A	No grade points
TB	- Transfer grade of B	No grade points
TC	- Transfer grade of C	No grade points
TP	- Transfer grade of P	No grade points

Beginning Fall 1998

Unless the course is repeated within one year, "CIPR" will change to an "AUD" after one year. Unless replaced with a final grade, "CIP" and "I" grades will change to "NP" or "F" (depending on the student's selected grading option) after one year. "I" grades prior to Fall 1998 will remain unchanged.

Beginning Summer 1994

Repeated courses are designated with an "E" in the repeat column when credit is disallowed. Repeated courses earning credit are calculated in the GPA.

Academic Fresh Start

Credit/grade points excluded via Academic Fresh Start are designated with an "E" in the repeat column. Excluded courses are not calculated in the GPA.

GPA Calculation

Cumulative totals and GPA include only terms shown on this transcript and may not include earlier terms taken at this college. Beginning April 25, 2008 only Portland Community College work is used in calculating the GPA, except for Oregon Coast Community College (OCCC) students nearing degree completion in 2014 when OCCC became a contracting college. For this population, transfer credit completed at OCCC, and transcribed by Clatsop Community College, is included in a Transfer GPA and the Overall GPA.
